Directions

Applied Automation is located 2 miles from junction 35 of the M4 in South Wales.

By Road:

Leave the M4 at Junction 35 and follow the A473 until it meets a roundabout with the A48. Take the third exit towards Bridgend. After 200 yards turn right at the traffic lights into Bridgend Industrial Estate.

By Train:

Bridgend has a main line station approximately 1 mile from our offices.

By Air:

Cardiff Wales International airport is located 8 miles south east of our offices.
